Jonathan Lokota

Born 01-01-1993

Frontend Dev | Webdesigner & Digital Marketer

I am capable of handling any challenging tasks assigned to me. As a highly active, self-motivated, and quick learner, I easily adapt to different environments. Regardless of the task's size, I approach it with seriousness and give my best effort. I am eager to learn new skills that will add value to both myself and the company.

WORK EXPERIENCE

IT specialist & Digital Marketer 2018 - 2020

Afrimedics | Johannesburg

I worked as an IT Specialist and Digital Marketer, I was in charge of troubleshooting any issue with the computers at the office. And updating software and doing website maintenance of the company. Building various types of online marketing campaigns to increase sales and traffic to the website.
